

South Cauty Schools Cross Country

Newsletter Week 8 Term2

There are many people who work behind the scenes supporting the school and who may go un-noticed. I acknowledge the parent helpers and teachers who are giving that extra for coaching our Jump Jam teams ready for the competition next Thursday.

I also acknowledge the work of our Home and School group who not only fundraise to help with those extras and are advocates for Highfield School but see a need and get on with it. An example is 'heat up lunch day' each Wednesday for the rest of the term. There are many healthy heat up lunch options – these should be wrapped in foil, clearly named including room number and given to the class teacher.

Other lunch options include Subway on Mondays, saveloys on Tuesdays and Pita Pit on Fridays.

We hear a lot about the support given to students who may be struggling or need an extra boost to their learning. We are also committed to supporting extension for students as well. We currently have an extension writing group for some Year 7/8 students, 18 Year 7/8 students are entering the Otago Problem Solving Project today and we have 2 teams entered in the Aoraki Maths competition in August. The way our classroom programmes are operating also means that we try very hard to meet the needs of all students at their point of need, including extension.

Next week Team Kauri begin the Safe Swim programme at CBay. Please remind your children to pack their swimming togs and towel each day. As I have said previously, this is a worthwhile programme fully funded by the Board of Trustees and is part of our curriculum.

Mid-year reports will be going home on Friday July 28th.

Interviews will be scheduled early in Term 3 which is an opportunity for students to share their progress and future goals.

Notification of the interview schedule will come out soon.

Thank you for your ongoing support.

Highfield School Board of Trustees - Casual Vacancy for an elected trustee

A casual vacancy has occurred on the board of trustees for an elected parent representative. The board has resolved under section 105 of the Education Act 1989 to fill the vacancy by selection.

If ten percent or more of eligible voters on the school roll ask the board, within 28 days of this notice being published, to hold a by-election to fill the vacancy, then a by-election will be held. Any eligible voter who wishes to ask the board to hold a by-election should write to:

Chairperson
 Board of Trustees, Highfield School, 30 Rimu Street, Timaru 7910
 By: 04 July 2019

10 June-21 June	Yr 3-4 Water Skills	
24 June-05 July	Yr 5-8 Water Skills	
27 June	Jump Jam	
05 July	Last Day Term 2	

FIFA World Cup is better than Rugby World Cup.

In this argument I will discuss whether the FIFA World Cup is better than the Rugby World Cup.

To begin with I will be discussing my **for** arguments.

Firstly in soccer you don't need to run as much as rugby because you just defend your goal and the goal keeper saves the goal from going in. In rugby you run and tackle people. They could get injured more because there is more fighting in rugby.

On the other hand I will explain my against points.

Firstly people can get slide tackled in soccer and this can be dangerous. Secondly in rugby you can run through the tackles because you have a lot of speed. Finally a rugby ball is shaped differently so it can go through the air.

In conclusion I believe soccer is better because the ball is at your feet.

By Riley Wood. Room 8

Room 8 have been learning to write an argument.
