Leading to the future

Basketball team & Rippa Rugby teams

Welcome to this weeks newsletter.

There's a lot going on in this place at the moment:

- Years 1&2 are going to CBay for the Swim Safe programme and so far are all enjoying it although a bit tired when they get back to school.
- On Thursday most of our Year 8 students are going to Young Leaders Day in Christchurch.
- Weeks 5 & 6 the Life Education Van will be at school supporting our inquiries.
- And teachers are busy assessing and collecting data before writing reports which go out to whanau in Week 9.
- It is also time for mid- year appraisal meetings for all teachers

And in the meantime classroom programmes continue business as usual.

Two short weeks also with the **school closed on Wednesday and Queen's Birthday on Monday.**

Congratulations to our Year 7/8 Basketball team for coming second in the B Grade competition. Well done to the players, coaches and parents who support them.

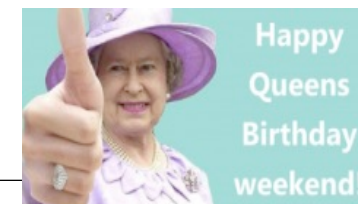

Advanced notice – Matariki celebration – Wednesday July 03rd 5:00pm – 7:00 pm. A great way to end the term and celebrate our inquiry week. See information included below.

Although I don't believe all children and families fit the description at the start of the article, this is an interesting link with some good ideas for everyone and worth looking up.

SCHOOL DOCS

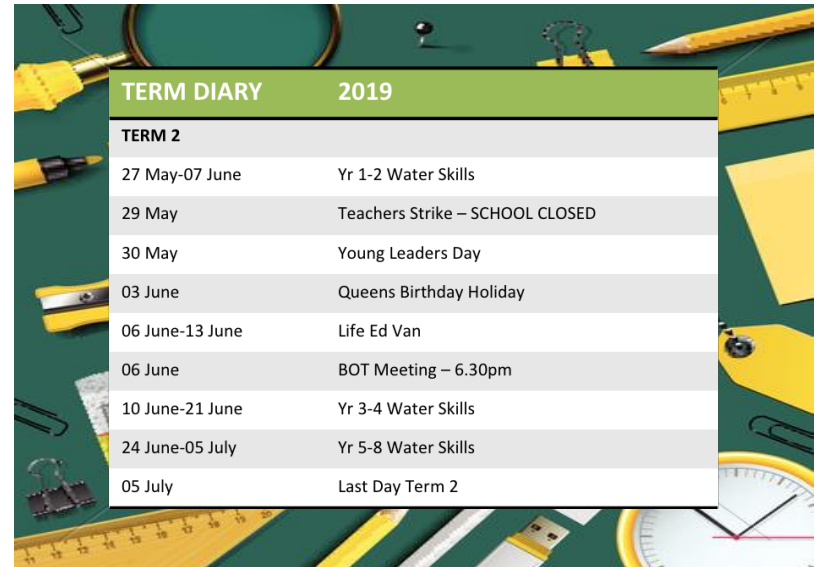

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

The school works on a subscription basis with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies which have been well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our board of trustees has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at <https://highfield.schooldocs.co.nz/> (note that there's no "www!").

Our username is "highfield" and password "rimu"
